Prof. Dr. Snežana Štetić, Faculty of Sciences, University of Novi Sad, R. Serbia

TOMUR '10

ORGANIZERS

„KIRILO SAVIĆ” INSTITUTE

MILITARY TECHNICAL
INSTITUTE

MILITARY GEOGRAPHICAL
INSTITUTE

ACADEMY OF CRIMINALISTIC
AND POLICE STUDIES

SECOND INTERNATIONAL
SCIENTIFIC CONFERENCE

**TRANSPORT OF DANGEROUS
GOODS AND RISK MANAGEMENT**

FIRST ANNOUNCEMENT AND
CALL FOR PAPERS

Supported by

Ministry of Interior, RS
Ministry of Defence, RS

(Official agreements with other relevant ministries and institutions are in progress)

Belgrade Chamber of commerce, Association of transport and telecommunications

SPONSORS

30-31 March, 2010, Belgrade, Serbia

THEMATIC AREAS

1. Indicators of sustainable development and security in the area of hazardous materials

2. Burden of transport infrastructure in the region of chemical and radiological risk

3. Emergency Proactive Response Management

- Regional policy of risk management in the area of transport infrastructure
- International standards and harmonization of regulations in own environment
- Network of international data exchange and cooperation
- Integration of risk management functions along the transport corridor
- Chemical accident (risk analysis, monitoring, coordination, information, assessment, response and recovery effect)
- Fire and explosion
- Radiological accident
- The human and material resources in Emergency Proactive Response Management System

4. Modern methods and technologies in the domain of proactive response to risks

- Methods to predict the possible risks
- Simulation methods for assessing risk
- Computer systems and technologies
- Communication technologies
- Software packages of web services for remote monitoring and oversight of rolling stock and transport of dangerous goods and special cargo
- GIS in the function of greater efficiency in proactive response to risks
- Modern methods for making decisions and forming situational teams

5. Human security, security of cultural heritage and environment

6. Results of research projects in the region

TECHNICAL PRESENTATIONS

Time and presentation space has been provided for the firms and institutions which want to promote their equipment, products, services and promotional and propaganda materials in the area of risk management/human security/environmental protection etc.

Detailed instructions and data on this subject will be included in the II Announcement.

CALL FOR PAPERS

The authors are asked to send *original, previously unpublished* scientific and professional papers only. Papers in the field of Social/Technical Science may have 3/6 authors.

Original Scientific Papers will be published in the leading National Journal (categorization M51) "Scientific Technical Review", and Serbian "NBP - Journal of Criminalistics and Law"; papers should be submitted in accordance to the *Guidelines for Authors* of the mentioned journals; in English language, with the maximum page numbers are 8 or 16 for full papers.

A number of papers will be published in the Serbian National Journal "Security" ("Bezbednost"). Those papers should be submitted in accordance to the Guidelines for the authors for this specific journal, in Serbian language (with the maximum of 16 pages; up to 30000 characters).

Abstracts of all accepted papers will be printed in the Conference Proceedings on CD-ROM.

Conference participants may give their oral presentations in English or in Serbian language. Simultaneous interpretation service or special sections in those languages will be available.

Please submit your papers directly to the following e-mail: marija.vukic@iks.rs

IMPORTANT DATES

- Deadline for Submission of Applications (with abstract): February 28, 2010
- Information on acceptance: March 5, 2010
- Deadline for Submission of Final Papers: March 20, 2010
- Conference program: March 26, 2010
- Conference Dates: March 30-31, 2010

PARTICIPATION FEE

- For authors and participants from Balkans countries - 100 EURO
- For authors and participants from other countries - 200 EURO
- For those who participate without submitting a Paper- 50 EURO

SUBMISSION OF APPLICATIONS

II International Scientific & Expert Conference on Transportation of dangerous goods and risk management- "TOMUR '10"

I would like to participate:

With Paper		Without submitting a Paper	
Thematic area:			
Title of Paper:			
Name and surname of the first author:			
Company/Institution name:			
Sector (Dept.):			
Business address:			
E-mail:			
Tel/fax:			
Co-authors:			
Place and date:			
Signature of the first author:			

This form should be filled in and sent to: marija.vukic@iks.rs, or to the following address: Institut „Kirilo Savić“ a.d., 110000 Beograd, Ul. Vojvode Stepe 51. The envelopes should carry the following text: Sekretarijat konferencije „TOMUR 2010“.

Contact:
